I. OUTLINE OF REVISION OF DIVERSION ATTACK FORCE DOCTRINE

A. Revisions have been made to accommodate operations with the surface forces of the various organizations.

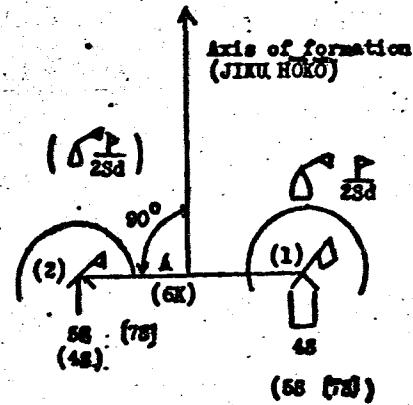

B. The order of cruising under alert and the order of approach will be based on the following organization of forces (parenthesis indicate alternate possibilities):

1. CruDiv Four; CruDiv Five (CruDiv Seven); DesRon Two
2. CruDiv Four; CruDiv Five (CruDiv Seven); BatDiv One (BatDiv Three); DesRon Two.
3. CruDiv Four; CruDiv Five (CruDiv Seven); BatDiv One (BatDiv Three); DesDiv Ten.
4. CruDiv Four; CruDiv Five; CruDiv Seven; BatDiv Three; BatDiv One; DesRon Two; DesDiv Ten.
5. CruDiv Four; CruDiv Five; BatDiv Three; BatDiv One; DesRon Two; DesDiv Ten.

C. Whenever there is some change in the organization of forces, the order of approach and the order of cruising under alert (KHIKAI KOKO) will be fixed to conform with it.
